**COTTON STATES CLUB**  
FRANCHISE FOR SALE

By Associated Press.

New Orleans, April 30.—With the transfer to Yazoo City of games scheduled here for Thursday, Friday and Saturday between the New Orleans and Greenwood clubs, the end of the Cotton States ball in this city is apparently near. President A. J. Heinemann, of the local Cotton States club, goes to Yazoo City tonight and will give the fans of that city the opportunity to buy control. If they do not want it, Laurel, Columbus, Gulfport or some other town will get the franchise as there are many bidders. The Yazoo City franchise was forfeited last winter and the club transferred to New Orleans but the venture has been a losing one for the promoters.

## THIRD NUMBER OF BULLETIN DISTRIBUTED

STATISTICAL ISSUE OF "GREATER PENSACOLA," OFFICIAL ORGAN OF PENSACOLA COMMERCIAL ASSOCIATION, IS OUT TODAY AND IS VERY CREDITABLE PUBLICATION.

Today the third number of "Greater Pensacola," the bulletin of the Pensacola Commercial Association, is being sent out to the members of the association. This is the statistical number and contains a lot of information which is worth preserving and which may prove of value as a reference at almost any time.

This issue, like all of those issued so far, is a creditable one and contains interesting reading matter aside from the value of the number as a reference or guide.

Among the statistics contained in the issue are: Population statistics, state, county and city; statistics concerning the port and harbor; a statistical report of the exports and imports; statistics concerning the various inland waterway propositions; financial reports of the banks and the postoffice; railroad statistics; assessed valuation of city and county property; municipal improvements; building permits in effect; statistics relating to telegraph and telephone companies; tax levy and receipts; school statistics and climatological statistics.

All of the subjects mentioned are covered completely and in detail, and the April issue of the bulletin contains a world of valuable information which it will not be easy to obtain elsewhere.

**THE LAX-FOS WAY.**  
If you had a medicine that would strengthen the liver, the stomach, the kidneys and the bowels, and at the same time make you strong with a systemic tonic, you believe you would soon be well?

That's "The Lax-Fos Way."  
We ask you to buy the first bottle on the money-back plan, and you will ask your druggist to sell you the second.

It keeps your whole insides right.

There is nothing else made like Lax-Fos.

Remember the name—LAX-FOS.

**FLORIDA STATE COLLEGE FOR WOMEN**

Tallahassee, April 29.—From a literary and artistic point of view two features of the Florida State College for Women stand out prominently and significantly: the excellent library with its unusually fine selection of books and the interesting art museum where many famous masterpieces in sculpture and art are permanently on exhibition. A few days since the college was enabled to bring together in a definite combination these intellectual and artistic phases of the college. For there were added to the library, being placed in the four walls above the books, some valuable specimens of frieze panels. These add a dignity and a grace to the library that is most appropriate and pleasing. They consist of three panels of the Cantaria frieze by Della Robbia, two panels from the frieze of an organ balustrade by Donatello, the famous water-carriers of the north front of the Parthenon by Praxiteles, and also his Ugeasus of the western frieze groups. Besides these, Nike Untying Her Sandals is an artistic gem of the school of the most famous sculptor in antiquity.

Commencement exercises of the Florida State College for Women will be held this year May 26th to May 28th. A detailed program will be published at an early date. The commencement speakers have been already secured. The baccalaureate sermon will be preached by Dr. W. D. Nowlin, pastor of the First Baptist church at Ocala, Fla. Dr. Nowlin is recognized as one of the most forceful and attractive pulpits orators of his denomination in the state. The literary address will be delivered on Wednesday evening by Professor E. D. Starbuck, Ph.D., head of philosophy in the University of Iowa. Dr. Starbuck will make the commencement address also at the University of Florida, at Gainesville, the same week.

Prof. Nathaniel M. Salley, dean of the Normal School, has accepted two invitations for school addresses in May. On May 17, he will deliver an address at the closing exercises of the Clearwater High School and on May 21st will speak at DeFuniak Springs before the pupils and patrons of the High School. Dean Salley, with a large practical experience in the field of education, will prove an interesting and earnest commencement speaker.

The college community, including both faculty and students, is extending a cordial welcome to Miss Virginia Eggleston Hardway, of Selma, Ala., who is now enjoying a visit among Tallahassee friends. Miss Hardway was a valued and appreciated member of the school of music for several years previous to the present session. Prof. McNeill and Barber, of the science department, with a dozen and a half science students, accompanied by Miss Agnes Harris, of the department of domestic science, are having a fine outing of three days at Lake Bradford.

Mrs. Opperman, mother of Miss Ella Scoble Opperman, director of the school of music, after a pleasant visit to her daughter has returned to her home in Ohio.

**HENDERSON WILL BE BACK TODAY**

Leah J. Henderson, secretary of the Pensacola Commercial Association, who went to Apalachicola, a former home, to cast his vote yesterday, is expected back in the city tonight on the 10:45 train.

Mr. Henderson has not been in this city long enough to qualify, but is thoroughly identified with Pensacola and will cast his next vote in this city.

## WELL DESERVED

The Praise That Comes From Thankful Pensacola People.

One kidney remedy has known merit. Pensacola people rely upon it. That remedy is Doan's Kidney Pills. Pensacola testimony proves it reliable.

W. E. Stearns, butcher, 713 N. De Villiers St., Pensacola, Fla., says: "I suffered from kidney complaint for a long time. My back was intensely painful and I was annoyed by too frequent passages of the kidney secretions, particularly during the night. I was stiff and lame and felt all out of sorts. When a friend advised me to take Doan's Kidney Pills, I got a supply from the Crystal Pharmacy and they cured me in a short time. I am now enjoying good health." (Statement given April 29, 1908).

### A LASTING CURE.

Mr. Stearns was interviewed on March 24, 1911, and he said: "Since Doan's Kidney Pills cured me three years ago, I have had no trouble whatever from my kidneys or back. I am pleased to confirm my former testimony."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

### AMUSEMENTS.

**Bonita Today—"Diamond 'S' Ranch."**

In a few short years that unique type, America's western cowboy, will be extinct and the younger generation of the future will look back in wonder at the many exhibitions of daring, the all but impossible feats of danger in which the skilled plainsman of the west takes such well deserved pride. The motion picture is the one and only method by which these future generations will be able to review, in living reality, this fast passing and strictly American type. Diamond "S" Ranch shown today abounds in thrilling scenes of dare devil cowboy life. One feature of the great subject is a number of scenes showing the champion woman bull dogger and steer thrower of the world in action. This with the congress of rough riders, bronco busters, round up and wild riding make a picture of unexcelled skill and excellence.

## NEW CONVENT ON CHASE ST. IS DEDICATED

CONVENT OF THE SISTERS OF MERCY IS BLESSED BY RIGHT REV. BISHOP ALLEN, OF MOBILE.

Yesterday morning at 6:30 a. m. Rt. Rev. Bishop Allen blessed the new convent of the Sisters of Mercy, on West Chase street. After the blessing his lordship celebrated mass in the convent.

At 9 a. m. a low mass was celebrated in St. Michael's church by Rev. Father Doyle, the able and talented assistant of Rev. Father Fullerton. Immediately after the mass, while the choir was singing the "Te Deum," the Rt. Rev. Bishop, vested in cope and mitre, joined the procession, headed by the cross-bearer, and consisting of the reverend clergy, acolytes and school children. It formed in the sanctuary and proceeded down the aisle to Palafox street, thence to Chase and Baylen, and after making the circuit of the building, entered the school room from Chase street. Proceeding to each room the Rt. Rev. Bishop Allen, in the dedicatory prayers, the reverend clergy making the responses. After leaving the last class room the hall at the top of the building was blessed. The bishop then invested and returned to the hall where the pupils gave a short entertainment, consisting of the singing of "Vivat Pastor Bonus," an address to the Rt. Rev. Bishop Allen, in which the children expressed their gratitude to his lordship for the beautiful building which he so kindly erected for them and his goodness and solicitude manifested by his frequent visits made at so much inconvenience to himself during the course of its construction. Next came a song, "The Lonely Bird," beautifully rendered, and lastly a patriotic song, "Columbia."

Master Arthur Johnson read the address and afterward presented it to the bishop on behalf of the school. Miss Mercedes Johnson presented him with a beautiful bouquet of white carnations.

The bishop expressed his pleasure at the manner in which the whole program was carried out and impressed on the children the necessity of carrying out in their after lives the principles inculcated during their school days, namely: of always remembering their duty to God and their fellow men, also the obligation they lie under of fitting themselves for the life to come. He told them that when God calls them to His immediate service not to neglect the call but to follow the heavenly inspiration and he, at the same time, warned parents not to interfere with or hinder their vocation.

The ceremonies of the day were closed with the blessing and erection of the stations of the cross by the bishop in the convent chapel. Each station is donated by a member of St. Michael's congregation in memory of some dear departed one.

The names of the reverend clergy who assisted at the dedicatory ceremonies are Rev. Father Fullerton, Rev. Father Doyle, Rev. Father Hartkopf, Rev. Father Massey and Rev. Father Kilk.

**TABLET IN MEMORY OF MAJ. ARCHIBALD BUTT**

By Associated Press.
